

Salah Junior Ncham

Full-Stack Web Developer & UI/UX Designer

50+ Happy clients

25+ Projects completed

70+ Graphics created

Profile

Full-stack web developer and UI/UX designer based in Yaoundé, Cameroon. I started building websites at 17 and, three years on, I've delivered websites, dashboards and brand identities for NGOs, logistics companies and brands across Central Africa. I design and build fast, responsive, bilingual (EN/FR) products with the person on the other side of the screen in mind.

Experience

Freelance Full-Stack Web Developer & UI/UX Designer

2023 – Present

Self-employed, Yaoundé, Cameroon

- Built responsive websites, e-commerce stores and custom admin dashboards with React, Next.js, Node.js and MongoDB.
- Delivered 25+ projects for 50+ clients, from the first discovery call to launch and post-launch support.
- Designed interfaces, logos, flyers and brand identities in Figma, Photoshop and Illustrator.
- Grew client visibility with SEO work, tracking results in Google Search Console.

Selected projects

Maney Cosmetics

2026

E-commerce site with custom admin dashboard and an AI marketing studio.

Sea Bridge Logistics

Web

Bilingual logistics website with a dashboard and shipment tracking.

Coach Junior

2026

Website for a swim coach, with SEO results tracked in Google Search Console.

YTEN – Youth Transformation & Empowerment Network

2026

Website for a youth empowerment organisation.

New Hope Orphanage

2026

Website for an orphanage.

Happiness Damilola John

2025

Creative portfolio website.

Brand & graphic design

2026

Logos, flyers and identities for Maney, Mario Studio and Chez Nous Chez Vous.

Client feedback

Salah delivered a stunning website for our logistics company. The attention to detail and bilingual support were exactly what we needed.

Idriss, CEO, Sea Bridge Logistics
